

2011

Soil Classifiers Association of Michigan

Scholarship Application for Soils & Natural Resources Students

Eligibility

To be eligible for this scholarship the student must be enrolled as a full-time student (12 credit hrs. or more/ semester) in a Michigan College or University with a major field of study in soil science, geology, natural resources management, or other related natural resources field.

The student may be enrolled as an undergraduate or as a graduate student.

The applicant must complete and submit the scholarship application form by **March 15, 2011** to the address listed on the bottom of the form. They must also include a copy of their college transcript. They will be judged on involvement in projects, leadership, and major course work in soils and natural resources.

Award

Two scholarship awards will be granted in the amount of \$1,000. The awards will be granted without regard to race, color, creed, religion, age, gender, sexual preference, or disability.

Basis of Selection

The scholarship applicants will be judged on pertinent course work, leadership roles in their field of study, earth-friendly volunteer work, and involvement in natural resources activities.
