Attention Participants: It is your responsibility to call the St. Joseph County MSU Extension office right away if you decide to drop out of the program for any reason.

Following is information on the 2021 4-H Carcass Goat Program:

1. The purpose of the program is to provide members with an opportunity to learn about the relationship between live animal evaluation and carcass composition and quality.
2. Entry in the contest will be limited to twelve (12) members on a first-come, first-served basis. If more than 12 members submit entry forms, selection of the 12 participants will be based on a combined "factor" of member age plus years in project, with older youth with more years of project membership taking precedence over younger members with less project experience.
3. Only one (1) goat may be entered per participant.
4. A given member may, if desired, exhibit a carcass goat and one (1) individual market goat from among the goats registered in his/her name.
5. **Attention!!!** 4-H members participating in this contest **MUST** attend **BOTH** the Live Evaluation Day on Saturday, September 11, 2021 and the Carcass Goat Evaluation Workshop on Tuesday, September 14, 2021 (see details on both activities below) in order to receive a premium and any associated awards. Any member who fails to meet this requirement will have his/her animal disqualified from the contest.

(continued on page 2)

- The "live evaluation" portion of the 4-H Carcass Goat Contest will be held in the old livestock show arena on the fairgrounds in Centreville as part of the four-species (goat/beef cattle/sheep/swine) **Live Evaluation Day** scheduled for Saturday, September 11, 2021. Live evaluation times are as follows: 1:30 p.m. = carcass goats (weigh-in at 1:00 p.m.), 2:00 p.m. = carcass steers (weigh-in at 1:00 p.m.), 2:30 p.m. = carcass lambs (weigh-in at 2:00 p.m.), 3:00 p.m. = carcass hogs (weigh-in at 2:00 p.m.).

The reasons for conducting the four (4) different carcass contest "live evaluations" all on the same day are as follows:

- Make better use of the live evaluations as a means to educate **ALL** 4-H goat, beef, sheep and/or swine project members and leaders (not just those directly involved in the contest) regarding the relationship between the "live" conformation of a given animal and the yield of lean meat in the carcass.
 - Make it more convenient and time-efficient for 4-H members with entries in more than one of the carcass contests to participate.
- The **Carcass Goat Evaluation Workshop** will be take place on Tuesday, September 14, 2021 at 6:30 p.m. at Bontrager Custom Meat Processing, 53541 Correll Rd., Leonidas, MI.
 - Each participant in the Carcass Goat Contest will be responsible for arranging for "private treaty" sale of his/her goat before the contest. A **4-H Carcass Goat Processing Information Sheet** will be mailed/e-mail to all program participants. This form must be filled out completely, signed by the buyer and turned in when the member unloads the goat for "live evaluation" at the fairgrounds on September 11. The processing information is needed by Bontrager Custom Meat Processing in order to process (cut and wrap) the carcass according to the buyer's specifications. **Exception:** The Champion and Reserve Champion goat carcasses **MUST** be sold in the 4-H Small Animal Sale on Thursday, September 23, 2021. Therefore, when making arrangement for "private treaty" sale of a goat, you need to be sure your buyer understands the carcass will be sold in the Small Animal Sale if it wins Champion or Reserve Champion honors.
 - It will also be the member's responsibility to inform the "private treaty" buyer of the carcass that the buyer will be responsible for the slaughter/processing costs (**TB**), which will be payable to Bontrager Custom Meat Processing as well as picking up the processed carcass.

Please feel free to call me at 269/467-5511 if you have any questions regarding information contained in this letter.
