St. Joseph County 4-H Youth Program

4-H Youth Division Code of Conduct for Exhibition at the St. Joseph County Grange Fair

Sponsorship: The St. Joseph County 4-H Youth Program is the non-formal youth educational component of Michigan State University Extension, which is jointly funded by the United States Department of Agriculture, Michigan State University, St. Joseph County Grange Fair Association and the St. Joseph County Board of Commissioners. Many St. Joseph County businesses, civic organizations and private individuals provide materials and financial support for the 4-H program.

4-H Clubs: 4-H clubs are comprised of groups of five or more young people between the ages of 6 and 19 years in urban, suburban, small town and rural settings. 4-H clubs carry out a wide variety of educational projects in civic and community service, agriculture, home economics and other areas. Volunteer adult leaders and older 4-H members enrolled in the 4-H Teen Leadership project give 4-H members direction and leadership.

4-H clubs function democratically. 4-H members run their own clubs with the guidance of adult leaders, elect officers, help plan and hold meetings and select educational projects. Each club drafts its programs to suit its members and the localities in which they live.

Current Situation: Sixty-eight Cloverbud members ages 6-7 and 578 4-H members ages 8-19 are enrolled in 4-H this year (2020). These youth are members of one or more of the 23 4-H clubs in the county. These 4-H members have planned and conducted meetings and completed projects with the help and guidance of over 200 adult volunteer leaders and 86 teen leaders.

Emblem Colors and Pledge: The national 4-H emblem is a four-leaf clover with a letter "H" on each leaf. Club colors are green and white. The white background on the 4-H flag symbolizes purity. The green of the emblem represents nature's most common color, and is symbolic of youth, life and growth. The national 4-H pledge reads as follows:

I pledge My head to clearer thinking,
My heart to greater loyalty,
My hands to larger service,
My health to better living,
for my club, my community,
my country, and my world.

Contributions made by local businesses, civic organizations and private individuals help provide 4-H citizenship, leadership and "life skills" development activities throughout the year.

Members should strive to present the animals they have in the best manner possible. Each member should willingly teach others the things they have learned and are learning in 4-H. Because of the priority of developing high character and service to others, all livestock exhibitors and families will care

for and prepare their animals for showing in the areas designated by the appropriate livestock superintendent so that 4-H members and families can learn from each other.

Preparation, Care & Exhibition of Animals

1. **Animals will be treated Humanely:** All 4-H animals shall be brought to the fairgrounds in a clean and presentable fashion. All 4-H members and families shall provide feed and water daily between **6:00 - 8:00 AM** and **6:00 - 8:00 PM**. All 4-H members and families shall not inflict undue pain for any purpose. If there is a question about the appropriateness of any treatment of an animal, the member or family members should get permission from the superintendent before implementing the practice. Abusive use of show aids will not be tolerated. Parents may intervene if safety or excessive handling is observed.
2. **All 4-H Livestock Exhibitors** are required to attend one of the educational meetings scheduled between June and August of the current 4-H program year. Failure to do so may result in no premium money awarded from all species exhibited.
3. **"Report to Superintendent Immediately"** tags will be placed on any pen where animals have not been properly cared for by the exhibitor; *Explanation of tagging process:* 1st yellow tag = warning - verbal. 2nd yellow tag = written warning. Red tag results in loss of privileges and may result in loss of monies. Refer to 4-H project Animal Certification/Care form for full details.

Immediate family members, grandparents, legal guardians, other current year St. Joseph County 4-H members or St. Joseph County 4-H leaders may assist them. It is expected that the animals will be washed and clipped as allowed in species rules. Tampering with the color or quality of the animal's coat is not allowed unless species rules provide an exception. If there is a question to the appropriateness of a grooming or fitting technique the appropriate superintendent should be consulted for approval prior to using the technique. Tampering or misrepresentation of ownership, breeding, age, preparation or other irregularity in exhibiting will be considered fraud and deception. Any use of a professional fitter, groomer, arranger, etc. at the fair facilities is prohibited. Violation of this rule, as determined by the appropriate 4-H Species Superintendent and the St. Joseph County 4-H Program Coordinator will result in the disqualification of the exhibitor and the animal(s) will be removed from the fair facilities and market animals will not be sold at the auction. Any individual who is **not directly and actively** involved in the St. Joseph County Grange Fair program is prohibited from helping groom or otherwise prepare the exhibitor's livestock project for show during fair week.
