

STALL RESERVATION REQUEST FORM– 2015

I, _____ am requesting a stall for this year’s Oceana County Fair.
(4-Hers Name)

My age is _____ as of January 1, 2015.

I have a horse _____ pony _____ who’s name is: _____

My mare _____ gelding _____ is _____ years old.

I am requesting a:

Tie Stall _____

Box Stall _____ *

* If requesting a box stall consider that there are only two reasons be awarded one:

1. For medical/fitness reasons, which **MUST** be accompanied by a written reason from a certified Veterinarian. If for a medical/fitness reason, please consider that the Fair is a very stressful place and is very hard even for a healthy, fit horse to handle let alone one that has a medical/fitness reason.
2. For safety reasons which must be accompanied by an essay telling how you have tried to train your horse to tie and indicate the type of safety issue and the training that has occurred to correct the issue. **Do NOT include your Name, your Horse’s Name, your Club, your Leader’s Name, your Age .**

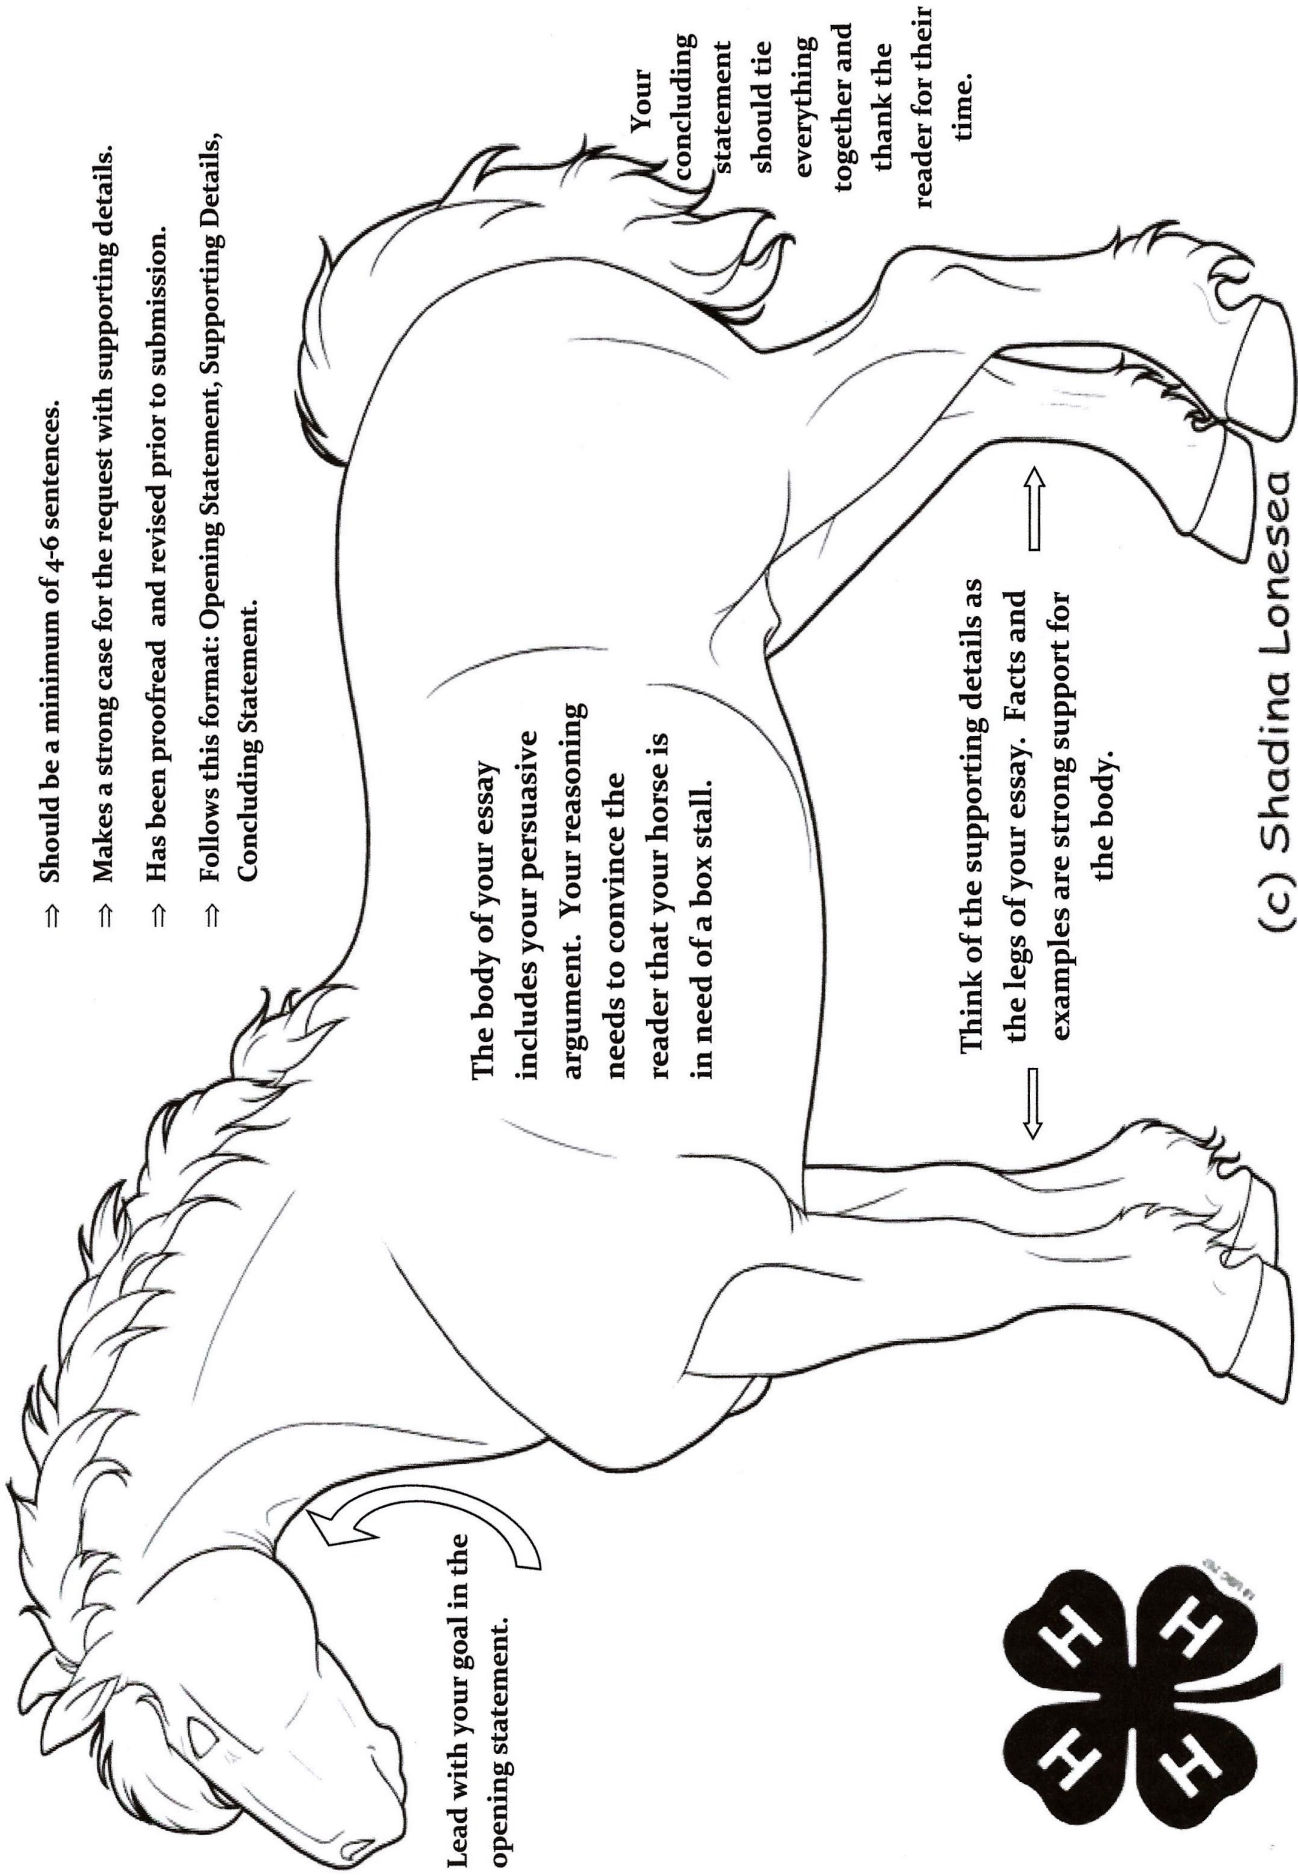

I understand that there are a very limited number of box stalls and that I may not be awarded one. I am aware that the ***deadline for stall requests is by 5:00 p.m. on August 1, 2015 to the MSU Extension Office.*** I realize that I have total responsibility for my horse during the Fair. I also realize that I must have my stall cleaned everyday by 9:00 a.m. and I will be dismounted anytime I move my horse except when I am in the make up area or the arena. I will yell **“Horse Coming Through”** every time I take my horse in or out of the barn. I will not remove my horse from the barn after 5:00 p.m., unless showing. When I am leading my horse to or from the exercise area or the arena, I will pick up any manure that is left behind and will keep all areas around the barns clean from manure.

THE IDEAL 4-H STALL ESSAY

⇒ Should be a minimum of 4-6 sentences.

⇒ Makes a strong case for the request with supporting details.

⇒ Has been proofread and revised prior to submission.

⇒ Follows this format: Opening Statement, Supporting Details, Concluding Statement.

Lead with your goal in the opening statement.

The body of your essay includes your persuasive argument. Your reasoning needs to convince the reader that your horse is in need of a box stall.

Think of the supporting details as the legs of your essay. Facts and examples are strong support for the body.

Your concluding statement should tie everything together and thank the reader for their time.
