Ride with Slow Spokes!

Have you heard about the group of 4-Hers who ride their bikes to East Lansing each summer? At 44 years strong, Monroe County 4-H members and chaperones have endured the 100+ mile trek to Michigan State University. The trip is made over three days, with overnight stops in Manchester and Leslie. Some parents ride, others drive vehicles to haul equipment and pick up tired bikers and disabled bicycles.

If you would like to be a part of, or find out more about the trip, please attend the 2017 Slow Spokes Planning Meeting to be held at the 4-H Activity Center on March 14. Scott Wiesler, group coordinator, will begin the meeting at 7:00 p.m. Registration materials, rules and expectations will be addressed at this meeting. Questions will be answered and committees will be formed for the planning process of this year's event. Be thinking if this is something you're interested in as it would be a great leadership opportunity for our youth members. Everyone is welcome to attend. This is a fun activity, which will give you the opportunity to make many new friends. The practice rides, the trip, and Exploration Days all combine for a great experience.

Agricultural Awareness Day Helpers NEEDED!

Planning is in full swing for the 2017 Ag Awareness Day, hosted by Monroe County Farm Bureau, Monroe County MSU Extension, and Monroe County Fair Association. The event will be held Friday, May 5 on the Monroe County Fairgrounds. First through Fourth grade classrooms from across the county are invited to attend as it presents a resourceful means to educate youth about agriculture and 4-H.

We are in search of volunteers, both teens and adults who would be willing to teach, work as guides, scoop ice cream, or help with the set-up and clean-up. If you would like to be a part of this event, please call the 4-H Office at 734-240-3170.

4-H Youth Leadership Overnight

4-H Youth Leadership Board hosted their first Youth Leadership Overnight on Friday, January 13th through the 14th. This first-time event was successful. There were thirty-three 4-Hers who spent the night and learned new leadership skills. Every mini session was hosted by members of the Youth Leadership Board. They worked to develop leadership skills such as confidence, preparedness, organization, responsibility, communication, teamwork, trust, and clear thinking. Many kids made new friends as they played the games. The games included spelling out the word 4-H on the floor using their bodies. Games were played late into the night followed a movie. The night was also very educational where many questions were asked by various 4-Hers. We hope you can join us next year!

Will You Put the “U” in the Challenge U 4-H FunFest?

The 2017 Challenge U 4-H FunFest is another special workshop for younger (aged 9 to 13) Michigan 4-H'ers. At this event, participants will:

- Spend two action-packed days – in sessions they choose, led by experts – learning the secrets of healthy living and food science. The hands-on sessions from which to choose will include:
 - What to eat and when to increase energy
 - Becoming a junior chef
 - Relaxation tips and tricks
 - Indoor and outdoor cooking
 - Healthy money habits
 - Food preservation
 - Dancing and more.

Through such 4-H projects, young people both enjoy hands-on activities and develop life skills (<http://bit.ly/1PVDmlX>). For example, by allowing 4-H'ers to choose the sessions in which they want to participate, they learn decision-making skills and independence. At the 2017 Challenge U 4-H FunFest, youth will also learn communication, cooperation and teamwork. All in all, participants learn to make “the best (themselves) better.”

- Enjoy some fun in the great outdoors
- Have an overnight workshop experience
- Meet other 4-H'ers from around the state
