## **BASIC RIDING GUIDELINES – KALAMAZOO COUNTY FAIR**

Leaders should encourage members to advance to Basic Riding II as soon as they are ready. The following guidelines are used to help Leaders determine which Basic Riding class is appropriate for each member:

- Horse/Rider combination with a Basic Riding I score of 85% or higher should advance to Basic Riding II
- Horse/Rider combination who has ridden the Basic Riding I pattern for three years should advance to Basic Riding II

Any questions should be directed to your horse project leader.
