Criteria for Osceola County 4-H Council Scholarship Requests

4-H Leaders/Members will:

1. Make a presentation to the Council for the request of money explaining purpose of trip, where, how long, and what you hope to learn. (5 minute time limit)
2. Make a return presentation with details on the trip. (5 minute time limit)
3. Cover 100% of entry fees up to a maximum of \$20 per member per event.
4. Cover 50% of the cost of camps, conferences, or lodging when necessary.

The 4-H council would like to encourage our youth and clubs to make an attempt to raise partial money for an event, if possible. Osceola County 4-H believes that achievements will be more meaningful when hard work and determination are applied.

The 4-H Council will continue to support attendance of members and leaders to two workshops per year (i.e. Kettunen Center Workshops). A presentation of what was learned or accomplished from the members and/or leaders will be expected at the next 4-H Council meeting. (The 4-H Council meets the first Wednesday of every month.)

The Osceola County 4-H Council considers each application carefully, but reserves the right to reject, limit, or divide money between applicants. The Council also reserves the right to make exceptions to these guidelines.

I agree to share my experience with the Osceola County 4-H Council.

Signature of applicant

Signature of parent/guardian of applicant
if under 18 years of age
