**Important Information---Market Animal Record Books---Due Monday, July 25**

All 4-H members who plan to exhibit and sell market beef, sheep, swine, goats, poultry and rabbits must complete and turn in a basic record book. Members may estimate the ending weight of their animals. This will allow members to complete their record books prior to fair if they so desire. All record books are due to the 4-H Fair office by 9 p.m. on Monday. Members who do not turn in a record book cannot sell their animals at auction.

Record Books for sheep, feeder calves and beef were handed out on tagging day. Swine record books were sent in the mail. Other animal record books are available at the MSU Extension office. First copy is free, additional copies are $.25. Members who pick up record books at the Fair office will be charged a fee of $.50. 4-H members who plan to enter their animal record books for judging and premium must complete 4H1177. Horse members entering a record book may use 4H1072. Rabbit, dog, poultry, pheasant and other project areas where members are entering a record book for judging, also need to use a special record book available at the MSUE office.
