Objectives of the 4-H Cloverbud Rabbit Project

1. To gain experience caring for rabbits.
2. To explore rabbit breeds and feeds.
3. To participate in group activities within your 4-H club.

NOTE:

- ☺ Cloverbud projects are for the child to explore and discover project areas.
- ☺ Cloverbud projects are not to be judged or placed in any 4-H activity.
- ☺ Cloverbuds will participate in rabbit showmanship in the Cloverbud class.
- ☺ The responsibility of animal ownership should not lie solely with the child, but with the parents also.
- ☺ Safety of the child should be the primary concern of the Cloverbud project.

Draw a Picture of Your Rabbit

A large empty rectangular box with a thin black border, intended for the student to draw a picture of their rabbit.

Project Story

With the help of your leader, teen leader, parent or adult helper answer the following questions about your project.

1. The most important thing I learned was:

This image shows a blank sheet of handwriting practice paper. It features four identical sets of horizontal guidelines arranged vertically. Each set includes three lines: a solid black line at the top, a dashed gray line in the middle, and another solid black line at the bottom. These lines provide a structured space for practicing letter formation and alignment. The background is white, and there are no other markings or text on the page.

2. Things I want to learn more about are:

[illegible]
