

## **MODEL GUIDELINES**

The following are guidelines for providing learning experiences in models.

### **GENERAL GUIDELINES FOR ALL MEMBERS:**

1. Learn model construction.
2. Develop an appreciation of modeling as a hobby and a skill.
3. Do your best and develop a sense of pride in your accomplishment.
4. Exhibitors should have instruction sheets during judging.
5. A different exhibit should be made each year showing advancement in skill and difficulty.

### **Helpful Hints:**

1. The following supplies may help you during construction: model glue, x-acto knife or single-edge razor blade, rubber bands, needlenose tweezers, paint brushes (fine, medium, and large point), paint, paint cleaner (turpentine), paint rag (paper towel) and a box or case to carry previous items.
2. Use toothpicks to help spread glue. Be very careful with the glue.
