## 4-H Enrollment Open

The 2017-2018 4-H program year enrollment is open! An email was sent to all 4-H families on September 20th. Please take a minute to read the email as there are a couple changes to the enrollment process. Go to [mi.4honline.com](http://mi.4honline.com) to complete your re-enrollment. Please contact the Extension Office if you need assistance with passwords and logging in.

Please remember that the 4-H participation fee is \$20 per member this year. There will be no additional charge for insurance as that is now included in the regular participation fee. We will not be accepting participation fee payments at the Extension Office from families, they must be submitted to your club leaders for processing. Please complete the [Family 4-H Participation Fee Form](#) and submit it to your club leader with the Participation Fee after re-enrolling in 4-H Online.

If you need assistance with the enrollment or log-in process, please feel free to contact the office and we will be happy to walk you through the process. If you need access to a computer to complete the enrollment process, please visit us at the office and we will be happy to set you up with access to one of our computers.

Please remember that all 4-H re-enrollments need to be completed and the participation fees submitted to your club leader by December 1, 2017.

Sincerely,  
Chris Thompson

**The next Leader's Council Meeting will be on October 26th, 7pm at the Extension Office.**

Hello my Name is Kaylee Thompson. I am 14 from Alma, MI. My birthday is coming up soon on September 16th. Now that I am a teenager, I don't really care about presents anymore. But this year I have came up with what I hope is a great idea. For the past 3 years my family and I followed this local little boy named Ian O'Hara and his battle with cancer. Unfortunately, Ian lost his battle in July of 2016. For the years he, as well as many other children, was and/or is in the hospital, they get to pick prizes. The hospital gets low on toys, prizes, & snacks that go out to all the sick children. So for my birthday I would LOVE to gather as much as possible to be able to donate to Helen De Vos hospital in Grand Rapids MI in memory of Ian! I am asking you, to find it in your heart to donate toys, snacks, gift cards and/or monies to make this big wish become possible!

I may be reached at 989-506-8066 or  
3131 Highlander Circle  
Alma MI 48801  
Thank you for your time!

Ian with his mother Tina!

### 4-H Equine Welfare Assessment Guide

Equine welfare science is an emerging discipline. The guide will help youth learn equine welfare principles as well as how to better care for their horses. It is designed to assist horse leaders in providing a way to teach and improve important skills for life such as clear oral communication, information gathering, analytical thinking and observation. There are also sample scenarios as a supplement to the welfare assessment.

### Accepting Nominations for Michigan 4-H Salute to Excellence 2018 Volunteer Recognition Awards

The Michigan 4-H Salute to Excellence Volunteer Recognition Awards recognizes 4-H volunteers who demonstrate exemplary service to Michigan 4-H and the youth who participate in our programs, while promoting service through volunteerism as both an opportunity and a privilege. These awards are patterned after the National 4-H Salute to Excellence Awards and are designed to provide an opportunity to recognize Michigan 4-H volunteers on the state, regional and national level.

The two categories of awards include Outstanding Lifetime Volunteer, for a current or former 4-H volunteer who has served 4-H'ers for ten or more years, and the Volunteer of the Year, for currently serving volunteers that have served for less than ten years at the county or state level.

Nominees are selected on the following criteria:

- Evidence of positive impact on the lives of 4-H youth.
- Demonstrated ability to work with young people in a way that promotes youth empowerment, decision making, problem solving, meeting challenges and mastery.
- Dedication to youth/adult partnerships and developing mentor-learner relationships.
- Evidence of a positive impact on the 4-H program.
- Innovative approaches to engaging new youth and increasing diversity among participants.
- Dedication to providing a safe and inclusive environment for youth.
- Innovative approaches to performing volunteer service, recruitment of additional 4-H volunteers, partnering with other youth-serving agencies, fundraising, providing other resources for 4-H, advocacy for 4-H, etc.
- Demonstrating a professional attitude, character and morals.
- Personal growth from being a 4-H volunteer.

Winners and honorable mentions from the pool of nominations will be announced in November of 2017 and will receive a personalized plaque. The most qualified candidates will be forwarded to the National 4-H Council for consideration for regional and national recognition. Those awards are announced in February 2018 and April 2018, respectively.

The nomination process requires nominees (or their nominators) to work with their local 4-H program coordinator to complete a nomination form, a resume and assemble three letters of recommendation. If you are interested in nominating an outstanding volunteer in your community for the Michigan 4-H Salute to Excellence 2018 Volunteer Recognition Awards, contact your local 4-H program coordinator. All nomination materials must be submitted by your county staff person by October 15.
