

# 4-H Outdoor Adventure Challenge Leader Training Enrollment Form

Use this form for Level 1, Level 2,  
and Level 3 training.

## County & State MSU Extension/4-H Use Only:

4-H OAC fees get deposited to acct. DS022638/subacct 1201. Please remit payment with this form.

If a County MSUE office is providing scholarship funding, include a note stating the account and subaccount from which funds should be transferred to the State 4-H OAC account.

Please note: New enrollees of 4-H Outdoor Adventure Challenge (OAC) training must be enrolled as 4-H volunteers in a county 4-H program in order to participate in 4-H OAC training and have completed the MSU Extension Volunteer Selection Process.

**There is a \$50 entry fee for Level 1 training and also a \$50 fee for each level 2 and level 3 training – up to a maximum of \$300 for each trainee. Make check payable to MSU.** Check with your county 4-H staff to see if county scholarship support is available to cover a portion of this cost. For more information about the different training levels, please visit: [http://msue.anr.msu.edu/program/info/outdoor\\_adventure\\_challenge](http://msue.anr.msu.edu/program/info/outdoor_adventure_challenge)

Registration and payment is due to the 4-H OAC Coordinator two weeks before the first day of each training. You may enroll for multiple trainings at once. Space is limited in some sessions. Send form and payment to:  
**4-H OAC, C/O Nick Baumgart, MSUE, 527 Stephenson St., Norway, MI 49870**

Name: \_\_\_\_\_ County: \_\_\_\_\_

Address: \_\_\_\_\_ City: \_\_\_\_\_ ZIP: \_\_\_\_\_

Please note: If a trainee must cancel from a training, the fee will be applied to their next training. Refunds will not be issued.

## This page to be completed by new enrollees only.

1. How did you learn about the 4-H Outdoor Adventure Challenge Program?
2. Please list any experience you have had working with young people in educational settings. Include experiential (hands-on) learning activities, if applicable.
3. Please list any experience you've had working with adults in educational settings. Include experiential learning activities, if applicable.
4. Why do you want to be a 4-H Outdoor Adventure Challenge leader?
5. How do you plan to use your 4-H Outdoor Adventure Challenge leader training with young people?

### Experience Survey

*Please indicate the amount of experience or training you have had in the following areas. List your skills and any courses you have taken (such as NOLS, Outward Bound, first aid, emergency medical technician training) that relate to outdoor activities. This information will help the instructors determine the level of teaching they need to do and does not help or hinder your acceptance into the program.*

Type of Experience	Much	Some	Little	None
