

Phosphorus Restrictions FAQ's

Who does the law affect: this law will affect fertilizer applications by both homeowners and commercial applicators on residential and commercial lawns, including athletic fields and golf courses statewide.

Are golf courses exempt: golf courses are not exempt from the provisions of this law unless they are a certified golf course in the Michigan Turfgrass Environmental Stewardship Program

Are parks or lawn care companies that are certified in the MTESP exempt?
No, the exemption only applies to certified golf courses

Where can I find further information on the new phosphorus regulations?
Natural Resources and Environmental Protection Act (Excerpt), Act 451 of 1994, Part 85 Fertilizers: Sections pertaining to phosphorus restrictions highlighted.
