Tailgating – CANR STYLE!

Join friends, family and fellow Spartans for a day filled with food, fun and MSU football! Meet with alumni and mingle with supporters from Michigan’s agricultural and natural resources industries while enjoying great food and raising money for scholarships, student activities and alumni programming.

You’ll see and hear how students, faculty and alumni of the MSU College of Agriculture and Natural Resources (CANR) are addressing current and emerging issues related to food, energy and the environment. Talk with our students and faculty about their important research and outreach efforts.

AutumnFest is changing this year to give you more time to chat with old friends, network with other alumni and attendees, and engage in activities throughout the Pavilion. We’ve reduced the number of raffle and live auction items and dropped the silent auction.

AutumnFest Highlights

- Sampling terrific Michigan products
- Singing along and cheering with the MSU pep band, the MSU cheerleaders and Sparty
- Enjoying indoor, heated tailgating
- Delighting in children’s activities
- Eating great food
- Taking a chance on the raffle and bidding on auction items
- Talking with members of CANR student clubs
- Savoring ice cream

Camping

Onsite camping is available with the purchase of adult AutumnFest tickets. The licensed campground at the Pavilion is equipped with electrical hookups, a dump station and two water tank filling sites.

How AutumnFest HELPS THE COLLEGE

AutumnFest attendees have been **incredibly generous** in supporting the college since the first event in 1989. You’ve raised more than **\$251,000** for **scholarships, student activities** and **alumni programming**.

This year we encourage you to expand your support by making a gift to the annual fund and becoming Spartan Loyal! A gift to the annual fund through AutumnFest will support CANR scholarships and student and alumni programming. (See the back panel for details.)
