

WASHTENAW COUNTY PROJECT MEDAL NOMINATION FORM

THIS FORM IS DUE IN THE MSU EXTENSION OFFICE BY

August 31st (current 4-H year)

Leaders are encouraged to nominate eligible and deserving 4-H members for County 4-H Medals. Members are also encouraged to nominate themselves. All youth need to be recognized for their accomplishments. County 4-H Medals are a form of recognition: helping to build self esteem and encouraging members to continue to strive for higher goals. County 4-H Medals are given to 4-H members who have greatly improved their skills in a particular project(s) or whose project involvement has been significant and successful.

All enrolled 4-H members who are 13-19 years old by January 1 of the current year are eligible to receive County Project Medals. These medals are awarded with the following rules in mind:

1. The 4-H member **MUST** be enrolled in the project area that the award medal represents, with the exception of achievement.
2. A maximum of **TWO** award medals may be received in any one year.
