Thank you so very much for your interest in the Washtenaw County 4-H Youth Development program. In the Washtenaw County club directory, you will find clubs geographic location and a listing of the projects that they are most heavily involved in. We recommend you find a few clubs that look interesting to you, contact their leaders and visit a club meeting before you make a final decision. If you see a club that is not accepting new members and it looks like your family will be a perfect fit, please call the leader they have a waiting list that they will be more than happy to add you to.

Don't see what you're looking for? Starting a new club is not as hard as it sounds. The office staff would love to walk you through the process!

Please feel free to call if you have any questions in your search for a 4-H club. We look forward to meeting you and enrolling your family as 4-H members! Thank you again for your interest.
