 - e. Animals used for showmanship must also be exhibited in another regular class.
9. **Exhibition Showmanship** – This class provides youth ages 8 and up with an opportunity to show an animal that may not otherwise have an experience to own and care for an animal on a regular basis. Additionally, this class provides an opportunity for youth who have had the experience of raising an animal, but the animal falls ill or passes way before the 4-H Youth Show. Emphasis of the class will be on judge's feedback and youth experience, rather than placings. Youth must pre-register for this class by the 4-H Youth Show registration deadline and must have an agreement in place with the owner and exhibitor of the animal they intend to show prior to the 4-H Youth Show registration deadline. Write ins for this class will be accepted for properly registered youth signed up to show the same species, if their animal is unable to be exhibited at Youth Show after the registration deadline. Animals shown in this class must be properly registered animals of another properly registered exhibitor, being shown in another regular class at the Youth Show.
10. **Sweepstakes Showmanship** – Senior division winners of beef, feeder calves, dairy, sheep, swine, both equestrian horses, rabbit, poultry, dog, llama and goat divisions will participate in a sweepstakes showmanship Friday at 7:00 PM. Once an individual win's sweepstakes showmanship, they cannot show in sweepstakes again. Proper dress and shoes (boots) is expected. See Sweepstakes section for details.
11. **Rate-of-Gain Contest** – All market heifers, steers, market lambs, and market goats must have been weighed at the Spring Weigh-ins. Rate-of Gain will be determined by haul-in/show entry weight for market heifers, steers, market lambs, and market goats.
12. **Herdsmanship Contest** – see **Herdsmanship Section, in order to receive premiums, clubs must pre-register before the start of Youth Show.**
- a. Participants: all clubs who meet attendance requirements in the area of dairy, goats, sheep, swine, beef, llama, horse barns (2), poultry and rabbits, are eligible if pre-registered. (See Herdsmanship section.)
 - b. Evaluation Procedure – inspections will be made several times by unannounced judges. Winners will be announced at the senior showmanship sweepstakes on Friday.
 - c. All livestock/horse clubs are required to attend at least 2 Livestock and Dairy Committee/Horse Association meetings to be eligible to enter Herdsmanship.
 - d. In order to encourage barn cleanliness, all clubs exhibiting will be judged (only properly registered clubs will receive premiums.)
13. Animals placing first or second in market classes must compete in the championship class for their species (market beef, feeders, lambs and swine), unless division rules specify otherwise.
14. In the event of animal housing problems at the show grounds, the final solution will be made, jointly, by the superintendents whose project areas are involved, in conjunction with MSU Extension office.
15. Problem animals will be sent home if a superintendent or 4-H staff decides that this action will be necessary for the health and/or safety of other people and/or animals. Except if terminal species, then straight to processor.
16. Exhibitors must show and sell their own animal. Exhibitors with more than 1 animal in the same weight class must have a current Washtenaw 4-H Youth Show Exhibitor or 4-H member to help or show the second animal. Exhibitors with physical injuries who cannot show their animal must also have a current 4-H Youth Show Exhibitor or 4-H member to help or show the animal; in addition, the permission of the species superintendent is needed. Extenuating circumstances may be appealed to the superintendent.
17. All breeding animals, and non-sale animals and horses will be released from the 4-H Youth Show on Friday at 9 PM or at the conclusion of show gate washing, whichever is later. 18. The use of any non-approved chemical or improper use of approved chemical is prohibited. Exhibitors of all animal entries are required to be in compliance with manufacturer's pre-market withdrawal periods specified for any medications, drugs, pesticides, or feed additives administered. Any violations will lead to immediate and permanent disqualification from 4-H Youth Show participation.
19. Pen size for sheep and swine is 4' w by 8'd (1 or 2 animals/pen). 8' x 8' pens (4 animals/pen) same family. THE NATIONAL SHOW RING CODE OF ETHICS

It is the intent of the livestock show management to provide each and every exhibitor an atmosphere of competitive spirit that promotes an educational experience, as well as honesty and integrity. As an exhibitor, you have spent countless hours caring for your live animal. Through this project, you have gained knowledge in animal husbandry that includes selection, genetics, nutrition, health, fitting, showing, economics, and marketing. Hopefully, you are also developing life skills such as, communication, leadership, cooperation, discipline, responsibility and financial management. By participating in this competitive event, you are putting your hard work and effort on display before judges who will evaluate your livestock at this show. Your skills and knowledge are also on display and evaluated by the general public.

It should give each and every one of you the utmost satisfaction knowing you are entering this event with clear conscience that you did your best and will walk away with more knowledge than you had coming into this competition. Experience is a valuable teacher. It allows each of you as exhibitors to gain knowledge and enables you to improve each time you participate in any type of function, whether it is livestock or non-livestock related. The Livestock Show Management strives to provide each participant an opportunity for a positive educational experience and the potential to enjoy competitive excellence. Remember that the choices you make today will determine what you will have, be and do in the tomorrows of your life.

The management of this livestock show expects each exhibitor to perform their own work and present an honest animal for competition to the best of their ability. There is no place for individuals that incorporate deception, dishonesty, cheating or sacrifice the humane treatment of the animals for the cost of winning at this show. Cheating defeats the purpose of the livestock show, to teach animal husbandry and to improve the genetic pool. Those exhibitors who choose not to follow the rules and guidelines of the livestock show will not be allowed to participate.

Remember the creed of 4-H and FFA organizations, as well as “**The National Show Ring Code of Ethics**”, you are a representative of over one million young people who are privileged to participate in fairs and livestock shows throughout the United States, and each of you need to uphold the integrity of the youth programs you represent. Above all, be honest with yourself and fellow livestock exhibitors. Livestock Show Management expresses to each and every one of you best wishes during our show. We hope the experience you gain will be positive, educational, challenge you to continue to improve your skills in animal husbandry, provide you an understanding atmosphere of sportsmanship and help to promote honesty and integrity in everything you do. Sincerely, Washtenaw County 4-H Youth Show.

DEPARTMENT 8
SECTION 2
YOUTH-GOATS Superintendent: Becky Johnson
Asst. Superintendent:

GOAT RULES:

Appropriate clothing; White shirts are customary for all goat breeds. Collared shirts with sleeves are encouraged and should be tucked in. White pants are standard for dairy goats. Angora, Meat and Pygmy breeds may wear black or white pants. Clothing should be neat and clean, and as plain cut as possible. Black or dark colored, close-toed shoes or boots must be worn. Wearing sneakers, sandals or open-toed shoes invite injuries to feet and are frowned upon by most judges. Hats are not recommended.

1. **IMPORTANT**...see General Regulations and Health Requirements for Livestock and Dairy.
2. All goats for exhibition must be under the care and ownership (or lease) of the exhibitor by May 1st of the current year.
3. All goats on show grounds must be shown in market, breed or pet wether class except those nursing. Goats under four weeks of age should not be brought to the 4-H Youth Show.
4. Each club with goats needing to be milked will supply at least one milk stand for milking and milk off. All milking will be done on a stand.
5. Cloverbuds age 5 to 7 must be assisted in the ring by an adult or youth aged 13 years or older.
6. 8-9-year-old exhibitors may enter no more than 5 classes. 10-year-old exhibitors may enter no more than 6 classes. 11-year-old exhibitors and over may enter no more than 8 classes. Limitations apply to all classes, except classes 410-414 and 470-473.
7. Goats in the "All Others" section are those not included in other classes, such as cross category mixed breeds (pygmy/dairy cross for example), fainting goats and livestock conservation or rare breeds. Purebred aged does can also be shown in this category. All goats in this category will be judged on the merits of their breed and suitability of their function.
8. All goats (including kids) must have permanent, official USDA approved identification in order to exhibit. Using one of the following identification methods will meet the requirements.
 - a. A permanently attached USDA Scrapie tag in ear or tail web.
 - b. The full USDA Scrapie tag number (premise ID# and animal ID#) tattooed into the ears, tail web or flank, with the scrapie tags made unusable and accompanying the goat.
 - c. A permanently attached tag or tattoo in the ear or tail web, ear notching or implanted microchip that must be accompanied by breed registry papers that match the ID number. Bring photocopies (not originals) of registration papers to be left with the superintendents. All tattoos must be legible. Contact superintendents before the 4-H Youth Show with questions.
9. Exhibitors may show only one entry per class (except for class 401, where they may exhibit two.)
10. Show order will be market goats, showmanship, breeding goats, wether pet, best of show and club herd.
11. Animals shown in showmanship must also be shown in a class in the market, breed or pet wether sections. Goat trail, club herd, 12 hr. milk out and 30 second milk out do not satisfy this requirement. This rule does not apply to cloverbuds who only show in showmanship.
12. Goat skill-a-thon location will be posted in the Goat Tent.
13. Showmanship is mandatory for all exhibitors ages 8-19 and all exhibitors 5-19 must preregister for showmanship classes.
