## CLUB REVIEWS

It is that time of year that we need to do Club Reviews. Club leaders have been contacted and will need to return the appropriate forms. We are missing many of these completed forms. Club leaders please check your email inbox, and contact staff with any questions.

XOXO

# 2021 YOUTH SHOW

2020 was not an easy year for most Americans and the challenges it brought to 4-H was no exception. However, please know we are hard at work and busy preparing to bring you the best possible 4-H Youth Show in Washtenaw County this summer. We are hopeful that the Youth Show will be in-person but are working on details for a hybrid or virtual option as well...just in case. We understand you need guidance and clarification to plan your projects. We expect to have more thorough information from our 4-H State Leader that we can share with you in the very near future.

Until then, please plan as if we are going to have an in-person show. Make sure your enrollment in 4-H Online is up to date, you note the weigh-in and tagging days listed in the newsletter and you continue to build confidence and mastery with your projects.

Last year's challenges led to learning opportunities for us as a county to improve in 2021. 4-H is about making the best better and 2021 allows us to do just that. Please keep doing the amazing work that you do. We look forward to seeing you this summer...one way or the other!
