

Washtenaw County 4-H Youth Show

DAIRY/BEEF FEEDER CALF VACCINATION RECORD

Due to Superintendent at Youth Show weigh-in

Member Name: _____ Phone Number: _____

4-H Club: _____

All calves need to be vaccinated with **two doses** of modified-live vaccine which, at minimum, should include 5 viral components: IBR, BVD I & II, PI3, BRSV. Suggested products include Bovi-Shield Gold 5^R, Titanium 5^R, Express 5^R, Bovigen Platinum 5^R, CattleMaster Gold 5^R. It is highly recommended that exhibitors select a modified-live vaccine with both viral and bacterial components. Suggested products include Bovi-Shield Gold 5 One Shot^R or Pyramid 5 + Presponse SQ^R. Vaccines must be given as directed by label. To avoid meat hold violations, the last dose must be given **NO LATER than June 25th**. Vaccination must be administered or witnessed by a 4-H Leader, Superintendent, or Licensed Veterinarian.

***As per Health Requirements and the Michigan Department of Agriculture and Rural Development, animals showing clinical signs of infections, contagious, or toxicological disease shall be removed from the Fair premises. No ringworm, No warts, No pinkeye, etc.
