The oversight and management of public funds generated in the name of 4-H is of utmost importance. Michigan 4-H Youth Development recommends that 4-H clubs and committees use the best practice of banking with checks. This enables clear and transparent documentation, as well as the accounting procedure that requires two signatories for all purchases and expenditures. Because it is recognized that the sole reliance on checks can present unintended barriers and create hardships for making purchases, Michigan 4-H Youth Development will allow the utilization of debit cards for a 4-H club or committee that chooses to assume the risk of doing so and adheres to the attached guidelines related to 4-H club/group use of debit cards.

As a reminder, the address for all 4-H club/group bank statements and debit cards should be the county MSU Extension office address. Monthly bank statements must be sent to the county MSU Extension office; if the club only receives electronic statements, it is the volunteer's responsibility to provide a copy, either a hard copy or a PDF, by email to the county 4-H staff each month.

For questions, refer to the Michigan 4-H Financial Management Handbook, which can be found online at: [https://www.canr.msu.edu/resources/financial\\_manual\\_for\\_4\\_h\\_volunteers](https://www.canr.msu.edu/resources/financial_manual_for_4_h_volunteers) or contact your local MSU Extension Office. ***By signing below, I acknowledge that having access to a debit card for our 4-H club/group is a privilege. I agree to the responsibility noted above for being a debit card holder for the group listed above. Additionally, failure to comply with all the above requirements will result in a club audit, debit card revocation, and a re-evaluation of volunteer status.***
