BHEARD PROGRAM START DATE: September 2016

UNDERGRADUATE EDUCATION: B.Sc., Agriculture (Family Science), University of Malawi

PERSONAL STATEMENT: Linda derives satisfaction by serving others and seeing others happy. Competency increases levels of confidence in the delivery of services to the rural communities. Opportunities in Linda's career will be opened, and she will be able to compete and fit in the relatively high positions which will increase the exposure and chances of serving the people even better.

WHEN I AM NOT WORKING I ENJOY: Linda enjoys watching and listening to motivational speeches, praying, watching movies, listening to music, cooking and serving others.
