Action	Agenda Item
Information	1. Introductions, Selections of chair & secretary * Aaron McKim, Chair & Chris DiFonzo, Secretary
Approved	2. Approval of agenda for 15 Sept 2022
Approved	3. Approval of minutes from 28 April 2022
	4. Old Business
	5. New Business
Approved	5a. AFRE 810 - Course change * Only change is to #8, to offer it 'on demand'
Approved	5b. AFRE 829 - Course change * Only change is to #8, move from spring to fall
Tabled	5c. AFRE Program Change
Approved	5d. Food Science BS - Program change * This change simply adds an experiential learning requirement to the degree program.
Approved	5e. FSC 493 - Course change #1 add a better explanation. For Ex: 'Increase variable credits and change to numerical grading' #9 add an effective date #27 Change to "A student may earn a maximum of 10 credits in the group." Also - Check to be sure the list of classes mentioned still exist (or have the same codes) #29 Dr. Chaison suggested cleaning up the language about a 'presentation given to the department at the beginning of the semester they return'. With zoom, internship presentations should be able to be given w/in the term to meet financial aid and graduation requirements. Syllabus: Dr. Chaison reminded instructor to update mask requirement #30 there is an odd 'old' after the word 'new'

Approved	5f. FSC 499 - New course #4 Suggest 'UGRA Research Food Sci' #5 Suggest writing an actual description - perhaps the course objective #23 Restrict to undergrads AND Dept approval #27 might create a list of research courses, as in FSC 493
Approved	5g. Nutritional Science BS - Program change * Check the physics changes in the program - seems that is in the UCC queue #20 In the reason for change - it states the change is to 'maximize confusion' "Clarify requirements to reduce confusion; add experiential learning options & formalize the requirement"
Approved	5h. HNF 493 - New course #5 Rewrite as a catalog description #22 HNF250 and HNF255 OR concurrent #27 match the FSC493 list
Approved	5i. HNF 499 - New course #4 'UGRA Research in HNF' #5 Rewrite as a catalog description #10 looks similar to the internship. Perhaps copy the verbiage from the FSC research course instead. #22 HNF250 and HNF255 OR concurrent #27 might create a list of research courses, as in HNF493
Information	6. UCC Update (Jim Schneider) * discussed proposed changes by Natural Science
Information	7. Associate Dean's Comments * spring enrollment, end of October

Meeting adjourned at 9:35 am
