Meeting began at 11am

Action	Agenda Item
Approved	2. Approval of agenda for 10 November 2021
Approved	3. Approval of minutes from 27 October 2021
	4. Old Business
Approved	4a. Urban Forest Management IAT Program through Muskegon CC
	5. New Business
Approved	5a. CSUS 464 - change course * simply a change to prerequisites
Approved	5b. CSUS 465 - change course * ditto item 5a
Approved	5c. Forest Technology IAT - New Program #6 correct typo. #15h - just a comment - the program course list is difficult to read as it is in the document, because the credits are on the line after each course. #16 is duplicated at end of document
Approved	5d. FOR 115 - new course #5 Course descriptions are much simpler - and never complete sentences. "Introduction to forest technology careers and opportunities in Michigan. Offered in summer."
Approved	5e. FOR 116 - new course #5 Rewrite description - No complete sentences. Just a short phrase. Sorry, I dont have a good suggestion for this course.
Approved	5f. FOR 117 - new course #4 title - some discussion about "natural resources" safety vs Forest safety. Natural resources safety conjures up working w/ animals, around water, etc. Consider limiting title to forestry. #5 ditto, comment about nat resources vs forestry
Approved	5g. FOR 130 - new course #4 SIS title, change Man to Mgt
Approved	5h. FOR 135 - new course

	#5 shorten by cutting out “students in this course will examine...”
Approved	5i. FOR 250 - new course #5 shorten by cutting out “students in this course will explore...”
Approved	5j. FOR 260 - new course #5 shorten considerably? Suggest something like: “Hands on experience working with field data and databases, inventories, mapping, and drone technology to manage forest resources”
Approved	5k. FOR 265 - new course #24 Suggest adding prerequisite courses so students take it later in degree program, rather than verbiage about previous experience. Or add “by approval” * You could then remove the restriction under #23?
Approved	5L. FOR 270 - new course #5 shorten by cutting out “Students will develop an understanding of...” #24 see same comments as FOR 265. In this case you have a prerequisite and restriction, so you don’t really need the rec background. * Could add “Or by approval” on #22
Approved	5m. FOR 275 - new course #5 Suggest “Preparation for, and administration of, timber harvest and sales”
Information	6. UCC Update * no issues on CANR documents going thru UCC
Information	7. Associate Dean’s Comments * discussion of covid accommodations

Meeting adjourned at 12:30 pm
