

Ask Extension!

For answers to your questions...

MSU Extension invites you to ask questions through our online **Ask Extension** system. The system is easy, and the answers provided are research-based so you can be confident you will receive an accurate and unbiased answer. Search our database, upload pictures, and ask questions on a variety of topics (gardening, agriculture, health, natural resources, etc.). Expert Extension faculty and highly trained Extension Master Gardener volunteers from Michigan State University will provide answers. You can expect a response to arrive within a few days via email.

How do I ask a question?

- Go to: canr.msu.edu/outreach and select the **Ask Extension** button.
- For questions about gardening, you can also visit: migarden.msu.edu.
- The gardening hotline can be reached at 888-678-3464.
- Go to: canr.msu.edu/outreach/experts to contact Michigan experts in many areas.
- For information from experts across the country, go to: ask.extension.org.
