ONLY POINT SHOWS HAVE FEES – FAIR CLASSES ARE FREE EXCEPT FOR TEAM COMPETITION
CLASS FEE: $4.00 PER CLASS
OFFICE FEE: $2.00 PER RIDER $1.00 per page of copies requested unless not in packet or online. Does not include patterns provided by the judges for classes such as showmanship, horsemanship, championships.
LATE CLASS SIGN-UP FEE: $10.00 –(NOT PREREGISTERED)

SIGNING IN FOR THE DAY: (POINT SHOWS) SIGN-IN BEGINS AT APPROXIMATELY 7:15 A.M. OFFICE WILL CLOSE 15 MINUTES BEFORE THE FIRST CLASS BEGINS TO ALLOW TIME TO MAKE SURE ALL ENTRIES ARE IN THE COMPUTER AND CLASS SHEETS ARE PRINTED. WILL RE-OPEN AFTER SHOW IS STARTED.

1. Stop at the tables outside the office and obtain a printout which shows the classes that have been signed up for by the pre-registration deadline.
2. Pick up your back number and pins if needed at the table outside. This will be your number for the current year at Point Shows and Fair.
3. Verify by comparing the printout received and your copy of your sign-up sheet(some of us have fat fingers when typing in the computer) that we have the correct classes. If you need to change anything please do so on the print-out and date and initial. You may need to note that you may not be showing a particular class at this show but intend to do so at a later date or have already shown the class at a prior show but are not showing this day for one reason or another (forgot tack, can’t stay, etc.)
4. Go in to the registration desk and pay your fees and bring any changes to the attention of the person collecting your fees.

If you wish to verify your points from a prior show please do so after the show has started and the office is not busy. All corrections to May and prior Fair need to be done by June Point Show.
Fair Sign-in will be announced but will be Sunday evening or Monday morning.

Report to the gate person at the ring in which you are to be showing. It is the rider’s responsibility to give the gate person their number and to be at the gate on time. If tack changes are required please inform the office and the gate person a couple of classes ahead. Many times the next class will enter the ring before the class in the ring is announced. Be sure to listen carefully as order or location of classes are sometimes changed, especially Showmanship and Halter.

YOUNG CLOVERS: Dressage and Saddle Seat may be running at the same time. Warm-up will be going on in Ring 1.
Speed competitors are expected to enter the ring within one minute of their being called. The next 5 riders will be required to be in a holding area setup near the in gate. If there is a conflict with another class they may be run out of order. Be sure to inform both the gate and the office. You may enter the arena when the previous rider has dismounted if they will not interfere with your pattern.

Be sure you slow down, break gait, or turnn away from the gate within the Control Box to avoid a 5 second penalty.
