My 4-H Teen Leader Story

The story should tell the tale of how you decided to become a teen leader and what plans and goals you set for the year. Please include pictures of you doing your leadership project. You can add additional pages.

- How has being a teen leader impacted you personally?
- What skills have you gained from this experience?
- Tell how 4-H has helped you improved your skills as a leader and relate them specifically to events that you did this year.
- Explain the impact your activities had on other members and leaders in your club and in the county.
- How do you plan to use the skills you have learned in the future?
- In evaluating your progress, did you meet your goals and outcome?

Please attach a statement from project leader or other adult you have worked with in a leadership role. The statement should give an explanation of how the teen leadership project has been beneficial to the teen, the leader, the club and the Barry County 4-H Program. With the adults signature.
Teen Leader Notebook Score Sheet

Teen leader notebook will be judged according to these guidelines. For each of the five major areas, a number between 1 and 10 will be given based on merit. A “1” indicates that the notebook needs much improvement for that area while a “5” would indicate average status and “10” would be excellent. The teen leader judge will score notebooks on non-livestock judging day. Each number given by the judge represents points in a point system. A perfect notebook would receive a “10” for each area, thus receiving 40 points. Interviews are also judged by a points system 1-6. “1” being the lowest and “6” being the highest there will be 10 questions. A perfect interview will receive a “6” for each question, thus receiving 60 points. Placing ribbons, outstanding and best of show ribbons will be given based on a 100 point system. Any questions can be directed to the Barry County Extension Office 269-945-1388.
