2016 State Shoot Volunteer Assignments
(as of 7/31/2016)
Please read carefully.

◎ Not able to remove draft watermark. This is the Finalized volunteer schedule for all rifle events - BB Gun, Air Rifle (pellet), and smallbore.

◎ Names without 'confirmed' next to it have been assigned from MSU volunteer list and have not confirmed their availability for the time assigned. In order to keep the event running smoothly without a glitch, your assignment will be re-assigned if not confirmed by Wednesday, August 4th.

Please confirm by sending confirmation to ddpinkel@aol.com.

◎ Volunteer assignments will be posted on bulletin board near entrance to rifle events.

◎ Report to the rifle area / range you are assigned at the time posted on schedule. Rifle ranges and scoring are in the same area.

◎ Please note you may have requested only to work a morning or an afternoon shift. Due to the number of volunteers available to work the state shoot and the required duties to be fulfilled, we are asking all volunteers to work the whole day as assigned.

◎ You will be able to be released from your duties to watch your child compete UNLESS you are assigned as a RO on a range and several volunteers from that same event desire to be released at the same time. In this situation, volunteers will be asked to take turns being absent from the range they are working and released only if the range is able to continue running safely without their assistance at the time they desire to be absent. Please arrange time to watch your child compete with the head RO once you arrive at the range on the day of the event- BEFORE match time.

◎ IMPORTANT! If for some reason you are not able to fulfill the tasks assigned, please contact Debi Pinkel as soon as possible. (Hm – 517-485-6391, Cell – 517-862-9672, email: ddpinkel@aol.com. It is very important to have each slot filled and confirmed before the day of the event to assure a smooth running and safe event.

~~~~~~~~~~~~~

(M) – Volunteer requested to work Morning shift only. However, all volunteers have been requested to work the whole day in order to provide the required staff needed to run the state shoot effectively and safely.

(A) – Volunteer requested to work Afternoon shift only. However, all volunteers have been requested to work the whole day in order to provide the required staff needed to run the state shoot effectively and safely.

(M/A) – Volunteer stated available for both morning and afternoon shifts.
# 2016 State Shoot Rifle Match Director

Bob Richards - Lead  Confirmed – Clinton (M/A)
Charlie Opalowski Jr - Assistant  Confirmed - St. Joseph (M/A)

NOTE: Change BB Relays to 1 ½ hours in length. 2\textsuperscript{nd} & 3\textsuperscript{rd} relay will begin ½ hour after the completion of the previous relay.
